MEMPHIS APPEAL

TUESDAY MORNING, NOV. 28, 1876.

famy, that commenced its work in unblushing perjury, and ended it in the fraudulent

subversion of every attribute of popu-

lar government. And now this same

infamous board proposes to repeat the in-

famy which a Republican congress twice pro-

nounced a swindle, and those who favor the

banchery of the bailot-box would destroy the

whole theory of popular electoral govern-

ment. There is nothing in the constitution

or in the genius of our institutions recogniz-

board proposes to disperse Tilden's adminis-

RADICAL TESTIMONY. New Onleans, November 24.—C. C. P. dden, a prominent Chicago Republican, who has

der a good State government which the peo-id respect, and the reply was that belwould this land would then be worth twenty thou-

dollars, and he would not sell for that. I ling the story that the colored men had be oped and scartfied the day before the election.

tration by fraud sustained by the bayonet.

Ture British Jovelgn office has been furished with a memorandum by the president STATES RIGHTS. of the British Iron Trade association, stating The APPEAL has always been an inflexible advocate of the rights of the States, but it that a large proportion of furnaces are out of wil never consent to the monstrons doctrine blast, and a still larger portion of forges and that any State in this Union has been constituted by the production of mullible iron are chitis and consumption. Trial boxes is wently five cents, by mail. Dr. J. H. M Lean, St. tutionally invested with the right to stifle the closed. Thousands of workmen have been voice of the people and elect a President of discharged, and the wages of those retained the United States by frand. The Radicals | materially reduced. The distress is greatest have obliterated State lines, teritorialized in the rail-making district: of South Wales States, and placed them under the rule of a and North England, but it is also very great raditary despotism; but now when they pro- in Staffordshire, the Midland counties and Scotland. The depression is not confined to pose to elect a President, by disregarding the will of the majority, they clamor about the | England, but is felt on the continent with rights of the States and oppose any interfer- almost equal severity.
